ABOUT US

MARINE Square is a capability-driven marine engineering and technical solutions company serving Bangladesh's defense and maritime sectors. Established in 2019 and led by Capt. Zamshed Ali, BN (Retd.), the company blends naval engineering discipline with modern technology to deliver precision, reliability, and mission-ready performance.

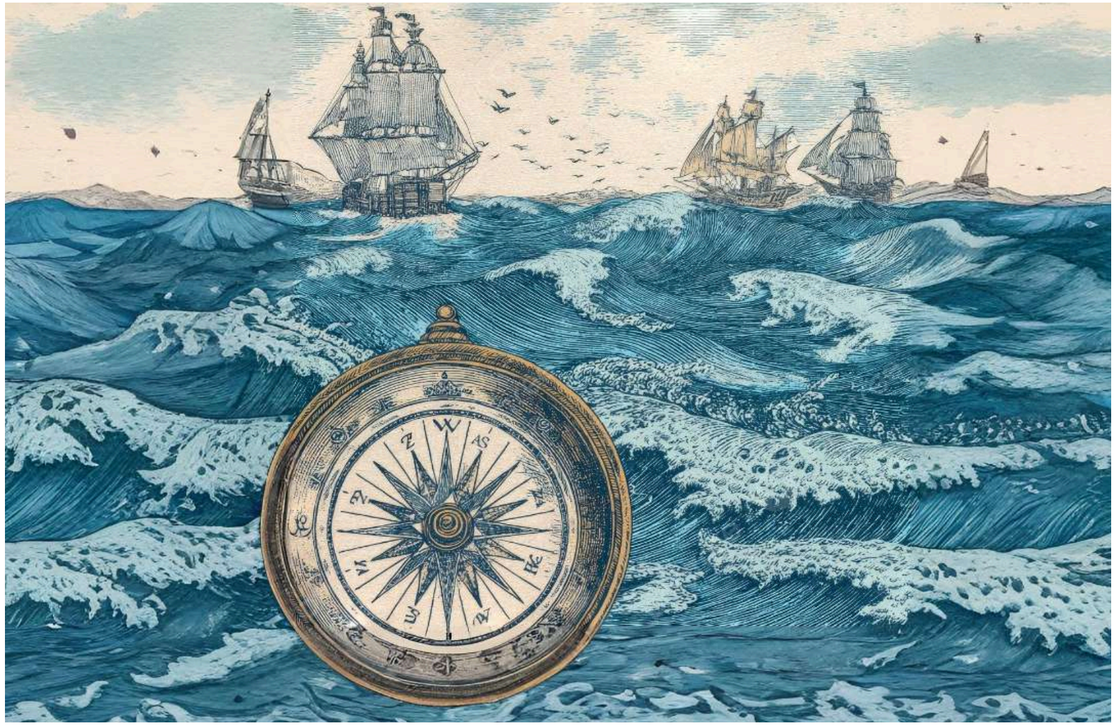
We support the Bangladesh Navy, Coast Guard, DGDP, port authorities, shipyards, and maritime institutions with authentic equipment, engineering services, and complete technical project execution.

Our solutions are engineered for harsh sea conditions, high-performance fleets, and mission-critical operational demands—ensuring readiness, safety, and sustainability.

Beyond traditional marine supply, MARINE Square integrates IoT-based monitoring systems, drone surveillance solutions, robotics training labs, and embedded automation technologies, aligning with Bangladesh's Blue Economy and Smart Maritime Vision.

With integrity, technical excellence, and dependable delivery, MARINE Square contributes to building a modern, resilient, and capable maritime Bangladesh.

MISSION AND VISION



OUR MISSION

To deliver compliant, reliable, and mission-ready technical solutions that sustain naval and maritime operations.

OUR VISION

To strengthen the Bangladesh Navy and national maritime–defense capability through trusted engineering support.

CORE VALUES

Integrity

Professional, transparent, responsible

Excellence

Engineering precision and continuous improvement

Reliability

On time, every time

Innovation

Smart systems and modern technologies

Commitment

Serving national interest and maritime capability

SYSTEMS & EQUIPMENT SUPPLY

We supply class-approved marine systems engineered for performance, durability, and compliance

Capabilities

- Propellers, shafts & propulsion components
- Gearboxes & transmission systems
- Pumps, compressors & valves
- Navigation & communication systems
- Firefighting & lifesaving equipment (SOLAS/IMO)
- Marine electrical & power systems
- Workshop machinery & precision tools
- Spares, consumables & fleet-support items

Strength

OEM-certified, technically verified supply meeting naval standards.

SHIP REPAIR & FABRICATION

Repair and fabrication services for vessels and marine infrastructure

Capabilities

- GRP boat construction & refurbishment
- Hull, deck & structural repairs
